

MOSQUITO ABATEMENT

ST. TAMMANY PARISH

Notice of Public Hearing and Request for Proposals

The St. Tammany Parish Mosquito Abatement District will receive sealed bids on or before Monday, April 22, 2024, at 12:00 noon, for the purchase and installation of door access card readers, controllers, and video surveillance cameras at the District facility to be added to existing Access Control System. The current system is "Access it" and the key fobs are PSK-3-Max. When submitting a bid, a mandatory conference will be enforced to determine compatibility with the existing control system. The bids will be evaluated based on compatibility with the existing system, equipment price and installation cost. The hardware list will be as follows.

14	Doors across 3 buildings	strike plates, mag locks, etc.
1	Gate access with remote reader	Scanner and key fob
2	Controllers	1 controller already exists
10	IP Security cameras across 2 buildings	
1	Security NVR storage device	1 nvr already exists
	All required software	
	Any other needed hardware	

All doors shall be compatible with existing ACS.

See attached files for locations of installations.

The quotes should include the cost of wiring, hardware, software, and labor.

Bids will be opened at a public meeting on Monday, April 22, 2024, at 1:00 p.m., at the STPMAD offices at 62436 Airport Road. Slidell, LA 70460.
